Kannazuki Pirena von Karthana Tapos isama ko na rin yung isang airbed na dinaganan ng pison (IDK kung sa Value Vision ata yun or sa Quantum yung product) tsaka yung cross necklace na may prayer doon sa loob (sa Value Vision yung product). Hope na sana may magsabi kung ano yung dalawang product na tinutukoy ko. Manage

Kannazuki Pirena von Karthana I've encountered an old magazine around 2008. Yung magazine nun was issued around 1989 or 1990 siguro tapos sa back cover naka-publish yung ad ng Nescafé Classic. IDK kung anong magazine yun. Hope na sana makuha mo yung print ad ng Nescafé na na-publish around 1989-1990. Salamat.

JM Parker Ganito po kasi yan:

As you can see in the end scene of the ad, the two products in the front (Ritemed CGF and Ritemed Zinc-C) are clearly FOOD SUPPLEMENTS and not medicines, thats why they put "Mahalagang Paalala" on the end part. You can also see the "No Approved Theraputic Claims" on the packs of CGF and Zinc-C.

The other products in the back (Paracetamol, Ascorbic Acid, Loratadine, etc.) are all MEDICINES, that's why they put "If symptoms persist, consult your doctor".

I hope this clarifies all haha

ChefMaster Microwave Oven: "From the world's no. 1 microwave oven manufacturer."

Published in: MOD Filipina (8/14/87)

What is Microwave Cooking?

shef Master

How does CHEFMASTER compare with the "turntable-type" microwave oven.

CHEFMASTER is equipped with GYROTRON, the most advanced device that distributes microwaves equally to every square millimeter of the oven and

With the turntable type oven the microwaves come -from one corner and rely on the turntable to expase food to the cooking waves.

With our GYROTRON turning instead of your chicken, you can stuff the oven to its maximum

TURNTABLE SYSTEM GYROTRON PROCESS

Food area is limited to the size of the turntable - losing 37% of oven capacity.

GYROTRON has a freemoving mechanism with less moving parts. Therefore, less chances of breaking down.

TURNTABLE SYSTEM

With the whole weight of chicken, turntable mechan-ism strains its parts to move the food around. The added weight, aside from consuming more electricity, results in more wear and tear.

Jowell Jason Dasigan Jarquio Josh Chavez, Batangas - Laguna - Tayabas Bus Company. Ngayon, kilala na ang bus company na iyan bilang DelMonte Land Transport Bus Company or DLTB dahil nabili sila ng Del Monte Motor Works, Inc.

Ang kanilang slogan ngayon ay "Wherever You Are, We AreThere", na nakasulat sa likurang bahagi ng kanilang mga bus. Karamihan sa mga bus nito ay galing mismo sa Del Monte Motor Works, Inc., samantalang mayroon din silang mga bus na imported from China.

Does anyone watched the newest TVC from Herbycin Capsules? The CGI there looks crappy. The CGI lung there looks like unrealistic.

I see it always on morning shows like Pinoy MD, UH and UKG.

<u>Jake Jacinto</u> As far as I know, GMA used to have a Super Bowl coverage. However, that was from the 80's until 1998, when GMA stopped airing that, among other sports programs in favor of being a close competitor for ABS.

Also, if there were Super Bowls covered by GMA in the 90's, it should be on Citynet.

Here's a tiny tidbit... Did you know that Charmis once had a low budget ad?

When they launched their new scent "Frenzy" in the early 90's, it has nothing but the following:

Orange and white bg

Texts

Voice over

A sound effect

And a very short jingle that has lyrics that goes something like "oh oh orange oh oh..."

Kung hindi pa sasabihin ng VO n "by Charmis" hindi p malalaman ng mga tao kung ano ba talaga ang inaadvertise s commercial n un since the said product was never shown in the ad.

Not too old but a great tvc from Pepsi featuring Jericho Rosales. To create an easy recall, part of the iconic song of VST & Co., "Awitin mo at isasayaw ko" was used as opening jingle.

Trivia: Did you know that companies have to pay a fee to FILSCAP each time a song is used in a tvc whether in full or in part.

When you speak of Sharon Cuneta, it is never in the past tense as she is so present. During the 40 years concert at the Smart Araneta, she announced that Selecta Ice Cream has appointed her again as their product endorser. No doubt Ms. Sharon Cuneta will be busier in the years to come keeping the throne as the most distinguished celebrity of having multiple endorsements.

In what has been talked about, discussed, requested and described lengthily by many Sharonians, I finally found this very rare Security Bank tv ad I am sure fans here and abroad are happy to see again - a view on the 3rd exclusive!

Wait, i hear a TVC jingle in #TNT3Q1Semifinals on ABS-CBN's #ItsShowtime.

(NOTE: The song "Payapang Daigdig", originally composed by Felipe de Leon, was used as a commercial jingle for Pampers All-Night in mid-2000's.)

As for me, hindi tama na basta na lang mag-post ng political ads na walang nakasulat na "NO POLITICAL WAR INTENDED" label before the post. Mapa-throwback pa man yan, dapat lang na lagyan ng nasabing disclaimer label before the post. Tandaan nyo, this group NEVER supports politics and/or politicians here in this country. Don't worry I will update our group rules and guidelines as soon as possible.

Sino sa inyo ang nakakaalala ng handwashing ad na biglang lilitaw sa tv screen ang kamay na kunwari may germs. Hinahanap ko siya sa google at you tube pero wala na akong makita.

Pero kung di maiwasan, kailangan ay yung mga produkto na inaadvertise dati sa mga now-defunct TV programs na pinalabas 20+ years ago para iwas redundancy. Salamat po sa pag-unawa.
